PROFILE

Fresher with a Bachelor's degree in Electronics and Communication Engineering from KNCET, Trichy in 2023. I hold a certification in Frontend Development with React.js from Besant Technologies. During my academic tenure, I successfully completed over 10 projects, such as a Personal Portfolio, Drawing application, Simple Calculator, and Tic Tac Toe Game, highlighting my skills and proficiency in web development.

PROJECTS

Developed a Modern and Responsive Personal Portfolio Website

- Utilized React JS to design and implement a contemporary and responsive personal portfolio website.
- Employed a combination of CSS and Tailwind CSS for styling, ensuring a visually appealing and user-friendly interface.
- Demonstrated proficiency in front-end development by creating a seamless and engaging user experience.
- Showcased technical expertise in React JS, CSS, and Tailwind CSS through the successful completion of the personal portfolio project.
- Implemented responsive design principles, enhancing the website's adaptability across various devices and screen sizes.
- Highlighted a commitment to staying current with modern web development tools and frameworks.

Color Picker Project

- Developed a responsive and interactive Color Picker using React JS.
- Applied Tailwind CSS for modern styling and enhanced user experience.
- Demonstrated proficiency in implementing responsive design principles for cross-device accessibility.

COURSES

- **Frontend Development** - Successfully completed Frontend Development training at Besant Technologies in Velachery, Chennai.

- **React JS-** Successfully completed React JS training at Besant Technologies in training at Besant Technologies in Velachery Chennai.
